1 Letter No. B3. 79-1593/56 d. 15.1.57 from the CCF.

2 For perusal. It is reported that the grazing position in Bijgarni, Belgaum is far from satisfactory. The area required for cultivation is said to contain 61 trees. Hence the C.C.F. has not recommended disforestment of the land prayed for by the villagers of Bijgarni. In the circumstances the recommendation of the CCF may perhaps be approved.

3 On careful consideration, the request for grant deserves consideration. In fact, the Range Officer & D.F.O. have recommended grant. But the C.F. recommends rejection on two grounds (1) Grazing position in village unsatisfactory. (2) & area of forest below minimum. In regard to (1) for 656 cattle, grazing area of forest available is 296 acres, which is not certainly bad. The Ranger states that there are often Revenue lands also for grazing so the ground need not be considered. The area is not marked for working plan. It is seen from the sketch that the bits are amidst cultivated revenue lands & retention under forest is not beneficial according to D.F.O. & it is a correct view. It is also evident that these applicants are in continuous possession & have improved them and consequently tree-growth is scarce – only 55 trees for about 69 acres. Taking all these circumstances into

--

Sir R. Sivaraj

In forwarding herewith the correspondence received under Conservator of Forests Belgaum's No.22/274/2137 dated 28-9-56, on the subject noted above I have to state as under.

2 From the reports of the District Forest Officer, Belgaum and the Conservator of Forests it is seen that the grazing position of the village is far from satisfactory, there being 656 cattle as against an area of 222 acres and 28 gunths available for grazing. The area contains 61 trees as detailed in the District Forest Officer, Belgaum's report, the value of which is estimated at Rs.126/-. Further the forest area in Belgaum Division is less than the minimum of 33%.

3 In the circumstances stated above the disforestment of the land in question in favour of cultivation is not recommended as the grazing position of the village is unsatisfactory and that the forest area of this District is less than that of optimum.

Yours faithfully,

M. A. Muthanna

There seems no objection to declare the S.Nos. mentioned in the draft notifn. as reserved forest. Before, however, the requisite notifn. is put up and sent for publication in the B.G.G. R.D. may be requested u.o. to take action so far para.2 of the C.C.F's endt.dt.27-1-56, is concerned after keeping copies of the relevant pages as the land to be acquired is private.

Subject :- Forest Settlement Work:
Belgaum Taluka -
Ex-State Village Bijagarni.

The marginally noted lands are the assessed and unassessed forest land of Bijagarni. The total forest area is 299 acres and 13 gunthas. These forest S.Nos. are shown in green colour in the enclosed tracing from the village map. S.Nos.235,236,239,240,241,245 and 246 form a compact block of land. To the East of this block S.Nos.251 and 252 form another block of land. These two blocks are separated by private S.Nos. The soil of the forest lands is - 'red' and not fit for raining crops. As there is ample rainfall the land - could be clothed with jungle-wood trees and is suitable for being constituted into reserved forest. The number of cattle in the village is 673 and there are no goats and sheep. The village cattle graze in the village gairana which is in the vicinity of the village site. The gairana area is 103 acres and 55 gunthas. They have no grazing right as such in the forest lands. There is one foot path passing in S.No. 240 which leads to the private S.Nos.237 and 238 on which the rights of public exist. Except the said solitary right there are no other rights of public or private individuals. A copy of the 'Shetwar' Patrak' is enclosed. All the forest lands except S.No.251 are jirayat lands and the area of S.No.251 is shown as pot-kharas - Please vide remarks in Shetwar Patrak. In view of the facts stated above, I recommend their afforestation. Draft Notifications under Sec.4 of the Indidian Forest Act along with sketches are enclosed in triplicate.

The marginally noted 2 S.Nos.are the private lands surrounded on three sides by the forests land in block No.I. By the presence of these lands the forest boundary is rendered awkward. In order to straighten the forest boundary I recommend that these S.Nos.may be acquired as they are inferior lands growing 'Nachana' only.

Reference Government letter, Revenue Department No.0/10733-B dated 1/10/1954, Shri Gangaram Laxman Jadhav and others of Bijagarni have requested to grant them forest lands bearing Nos. 235, 236 , 239 to 241 of Bijagarni for cultivation on permanent basis. Below No.C/11/2315 of 5/6-3-1956 from the Divisional Forest Officer, Belgaum.

Subject - Grant of forest land for cultivattion to the villagers of Bijgarni.

No.22/274/ 49/52 of 55-56. Via-Belgaum, 13 - 3- 56.

Submitted to the Secretary to Government, A. & F.D.Bombay with ref. to his No.0/95074-E of 27-8-1955.

2. It can be seen from the D.F.O's report that no records are available in his office to show as to how the lands new applied for were disposed of prior to 1948-49. He has been asked to enquire with the applicants whether they have any record to support their statement made in the application in question and if so he has been asked to obtain and forward the same . Further report in this respect will be submitted in due course.

As regards grazing position, the D.F.O. has explained it in detail and Undersigned has nothing more to add.

Submitted through the Chief Conservator of Forests, B.S.Poona (in duplicate).

with any degree of certainity that the applicants were cultivating the lands in question for a number of years prior to 1948/49. As is made clear, above, in 1948/49, only Sy.Nos. 240 and 241 were auctioned for cultivation and Sy.Nos. 235, 236, and 239, for grazing. After 1948/49 the practice of auctioning these lands was stopped. Therefore, the question of the lands being in possession of the applicai for cultivation after 1948/49 does not arise, unless these lands have been unauthorizedly cultivated by the applicants.

There are records in this office to show that the lands in question were unauthorizedly cultivated by the applicants, and they were fined in 1954 on receipt of the offence papers in this office.

5. On enquiry it is learnt that the grazing difficulty was not felt in the past since there were many Revenue Waste land and uncultivated malki lands in the village ~~from~~ which the cattle used to graze and some of the forests lands in question used to be sold for grass cutting or grazing during the State Regime. During the recent years, it is reported that most of the Revenue Waste lands and malki lands are brought under cultivation and the practice of auctioning the forest lands for grass cutting and grazing has been stopped after 1948/49. ~~It is, therefore, natural that the~~ Grazing difficulty may be experienced now.

6. Case papers (Pages 1 to 21) received under Govt. letter, A. & F.Deptt. No.0/95071-E of 27-8-1955 and this office file regarding disposal of forest lands at Bijgarni during 1948/49 (Pages 1 to 97) accompany for favour of further action.

Letter

Subject:- Grant of forest land for cultivation to the Villagers of Bijgarni.

No.C/11/ 2315 of 1955/56.
Belgaum. 5th March., 1956

To

The Conservator of Forests,
Southern Circle, Belgaum.

Reference:- Your No.22/274/9157 of 11/14-9-1955.

In this case, the applicants are :-

1 ~~(i)~~ Shri Bharmana Gundu Jadhav.
2 ~~(ii)~~ " Gangaram Laxman Jadhav.
3 ~~(iii)~~ " Bharmana Ramchandra Patil.
4 ~~(iv)~~ " Kallappa Rama More.

They have applied for grant of lands for cultivation as under :-

S.No. of the applicant.	Area asked for Village	Sy.No.	Area.
1.	Bijgarni.	239	6 - 12.
		241	20 - 1.
2.	-do-	240	32 - 17.
3.	-do-	235	8 - 23.
4.	-do-	236	2 - 13

3. From the records available in this office, it is seen that the below mentioned lands were sold in September 1948 (by the R.F.O. Angol as per practice in vogue in Kurundwad Senior State) either for cultivation or grazing or grass cutting during 1948/49 as shown below :-

Name of the Purchaser.	Village.	Sy.No.	Area.	Purpose of sale.	Amount offered excluding L.F.Cess.
1	2	3	4	5	6
1) Ninappa Gopal Koskal of Bijgarni.	Bijagarni	252	115 - 22.	For Grass cutting.	Rs 125/-.
2) Bharmanna Gundu Jadhav of Bijagarni.	-do-	240	32 - 17	For cultivat-ion.	Rs 17/-
-do-	-do-	241	20 - 1	-do-	Rs 10/-
3) Lumanna Laxman Taribalkar of Bijagarni.	-do-	235	2 - 13)	For grazing.	Rs 2/-
	-do-	236	8 - 23)	-do-	
	-do-	239	6 - 2)		
	-do-	245	5 - 31)		
	-do-	246	3 - 24)		

4. The above details show that the Sy.Nos. 240 and 241 were sold to the applicant No.1 for cultivation during 1948/49 while Sy.Nos. 235, 236, & 239 were sold ~~to the applicant Nos. 3 & 4~~ for grazing and not for cultivation. The practice of auctioning of the Sy.Nos. either for culti-vation or grazing was stopped after 1948/49 (after Kurand-wad Senior State was merged).

There are no records (forthcoming in this office) to show as to how the lands now applied for were disposed of prior to 1948/49 in the State regime and to whom they sold etc. In these circumstances, it is difficult
